CONTRACT LAND STAFF ANNOUNCES NEW VICE PRESIDENT OF UTILITIES

SUGAR LAND, TEXAS (January 4, 2021) – Contract Land Staff, LLC (CLS), a leading international provider of Right of Way and Real Estate Services, announced today the appointment of Kristina L. Breeding (Tina), SR/WA as Vice President, Utilities.

Tina brings over 21 years of land management experience in utilities, renewables, property management, and commercial real estate. Tina will help lead and grow CLS’s continued expansion in the Utility Sector. Prior to joining CLS, Tina served as Director, Land Services for Duke Energy, managing land and real estate activities across their service territory. She brings a broad industry knowledge and strong operational experience. Tina is an active member of the International Right of Way Association and holds the organization’s highest designation for a senior right of way professional, SR/WA. She is an IRWA board member for the Ohio Chapter. Breeding holds a bachelor’s degree from Indiana State University (IN) and a master’s degree from Regis University (CO).

“CLS is extremely excited to add Tina to our leadership team,” said Darin Hittle, CEO of the CLS Family of Companies. “Tina’s vast operational experience and leadership will enhance our continued growth in the utility sector.”

About CLS

Contract Land Staff, LLC, founded in 1985, is one of the largest independent providers of Right of Way consulting services and related services in the United States. CLS’s services include a combination of real estate solutions such as right of way acquisition, training, staffing, and land administration services. CLS serves utility, electric transmission and distribution, pipeline, public infrastructure, solar and wind generation, rail, and telecommunications clients.
